Notes :

- Exemptions are granted to students originated from English speaking countries or countries with English as an official language. Exemptions are also to students who graduated from institution which used English as medium of instructions.
- Applicants who do not fulfil the English language competency will receive a conditional offer letter, but they need to attend a preparatory intensive English course by adhering to the course structure and guideline. Applicants are also subjected to rules and regulations by the Malaysian Immigration Department. The applicant needs to achieve appropriate band for MUET or any examinations which are aligned to CEFR in order to fulfil the English language competency.
- In the event applicants have obtained higher scores in conditions/situation other than items above, in order to apply for exemption, applicants must obtain higher scores than what are stated in respective program standard as stipulated by the Malaysian Qualification Agency (MQA).
